Men's and Boys' Clothing!

"If You Want to know What Smartly Dressed Men Will Wear This Season, Ask to See Stein-Bloch Smart Clothes."

They Bear This Label.

We are specialists in Men's and Boys' Apparel. It is our duty to sell everything that they wear from Hats to Hosiery, and seldom indeed it is that we are obliged to say, "We are just out" or "We haven't your size today." We do more than this,

however; we not only carry a complete stock, but we carry a stock of the best that the world's markets afford.

As a most striking example of this we mention **Men's Suits**. We will show you several makes at several prices and all of them good, but we are particularly proud to be able to claim the agency for the products of that famous wholesale tailoring concern of Rochester, the **Stein-Bloch Company**, whose Smart Suits and Spring Overcoats are known from the Atlantic to the Pacific, from the Canadian border to the Gulf of Mexico, as being the highest type of clothing, whether made-to-measure or ready-to-wear; yet the prices are no higher than for any other first-class ready-to-wear clothing and about half what the same qualities would cost made-to-measure. **\$15.00 to \$25.00** buys the Stein-Bloch Smart Suits and Spring Overcoats.
